

Tuesday evenings: 8/15 September 20/27 October

We're really looking forward to welcoming you to Limmud Tour of Britain on **Tuesday 8th September at 7:30 PM**. Please take the time to read this information before the event begins, so you are familiar with how to join the event.

Joining the programme:

The event is on Zoom. Ideally, you should install Zoom on the computer or device you'd like to attend sessions with. To download and install Zoom visit: <https://zoom.us/download>.

Session links are below. Ways to join a session:

Click on the link for the session that you want to attend - **OR**

Enter the meeting ID and password - **OR**

Call one of the telephone numbers listed with the session to join on the phone

There will be a waiting room open from around 15 minutes before the start time. The moderators will let you in to the session at the start time for that session, either 7:30 or 8:30 PM.

Only participants who have signed up for this event will receive the zoom ID and password.

Please do not share the event details or Zoom password with anybody else for security reasons and to ensure we do not exceed the limit on the number of people who can attend.

Please have your **real name** at the bottom of the screen. All participants will be automatically muted. If you do not use your real name, you may be removed from the session by the moderator. Instructions for changing your displayed name are at the bottom of this document if you need help.

Structure of the event:

We have 3 or 4 Zoom "rooms" running in parallel during each of the two time slots. After the presenters speak, there will be time for questions and then a short break between the two timeslots.

At the end of the 8:30 sessions, participants can stay for a while to continue a more informal chat before the hosts end the session.

Asking a Question:

All participants will be muted during the session to ensure the presenter can be heard.

To ask a question, send it directly to the **Moderator** using the 'Chat' function which can be found at the bottom of the screen, or at the top of the screen by clicking More (for an iPad).

The Moderator will introduce the session. To find the Moderator so that you can send your question via Chat, look for “**Moderator – First name Surname**” on the participant list drop down and send them the question via Chat.

The Moderator will select a number of participants to ask a question: when called upon, the Moderator will ‘unmute’ you to ask the question and then ‘mute’ you again at the end. This will all be explained at the start of the session.

The time for questions will be limited so we do ask that if your question is chosen, you are concise and ask the question that you have submitted to the moderators. Lengthy questions or those that are not as set out in advance may be cut off.

Security:

Limmud works with the Community Security Trust (CST) on how to keep the event secure. Disruptions are rare, but you should know that we have put precautionary security measures in place and are asking for your help to minimise the risk of interference:

- We disable some Zoom features, ie screen sharing for non-hosts, annotations, file sharing
- Moderators may remove or disable the video of participants if their video shows inappropriate content
- There will be at least one moderator/host in the session, in addition to the presenter.

The above measures will hopefully allow for the smooth running of the evening.

Changing your screen name on Zoom:

To **change** your **name** after entering a **Zoom** meeting, click on the “Participants” button of the Zoom window. Next, hover your mouse over your **name** in the “Participants” list on the right side of the **Zoom** window. Click on “Rename”. Enter the **name** you'd like to appear in the **Zoom** meeting and click on “OK”.

Any issues:

If you have any issues on the evening please email either our Limmud Tour of Britain team on tourofbritain@limmud.org - or our Limmud Office on office@limmud.org and we will try to reply as soon as we can. Our Limmud office phone will also be monitored, please call on +44(0)2031151620.
